Kaplan Masterclasses

To give you the best possible chance of passing your professional exams we provide **FREE** Masterclass sessions.

Details of events held at your local Kaplan centre are below. For more information or to book your place, please contact us on 020 7403 7979.

Exam Focused Learning

The way you have learned so far has already been successful, however something has changed, you now have to learn faster and you have to learn more. Professional accountancy exams are demanding and so you need the best approach. This session will help you focus on what is important so that you spend your time more effectively and learn only the things that will help you pass.

Calculations Made Easy

Being able to do basic mathematical calculations is crucial for professional accountancy examinations. If it has been a long time since you have done any maths or used a scientific calculator then this course is definitely for you. It is particularly useful for students who are about to study the Certificate Level after a gap from mathematical studies.

Memory Techniques

Do you struggle to remember things?

If so, this is the course for you. It provides simple and practical guidance on how to recall large amounts of information, an essential skill for any exam success.

Exam Confidence

How to feel motivated and banish your exam nerves.

Exam nerves can have a significant and negative impact on your ability to study and affects your performance on the day of the your exams. If you would like to feel more confident, motivated and free from exam nerves then this course is for you.

Exam Day Techniques

Do you want to give yourself the best possible chance to pass your exams?

If so, this course is one not to be missed. No matter how hard you have worked, what you do on the day of the exam can make all the difference. Guidance on how to read exam questions, how to manage your time, what to do if you don't know the answer and a whole lot more are covered on the session.
