

# STUDYING THE ACCA DipIFR BY DISTANCE LEARNING

## Why study ACCA DipIFR by distance learning?

As a distance learning student, you can begin studying for your qualification at any time during the year, our fully comprehensive ACCA DipIFR package includes all you need to start preparing for your exam. This qualification is intended for professional accountants and auditors, working in practice and industry, qualified in accordance with national accounting standards.

With many countries around the world moving towards applying International Financial Reporting Standards (IFRS), the impact of financial reporting is significant.

On completion of the Diploma candidates should be able to:

- Understand and explain the international regulatory framework of financial reporting
- Discuss and apply specified International Accounting Standards and International Financial Reporting Standards to practical situations
- Prepare financial statements in accordance with specified International Accounting Standards, International Financial Reporting Standards and International Financial Reporting Interpretations Committee (IFRIC) pronouncements
- Prepare group financial statements including subsidiaries, associates and joint ventures.
- It will count as 42 CPD units

For more detail about the syllabus please visit:
